Hello! Welcome to the Tutors and Exams first newsletter.

Over the past few months, we have experienced a time of unprecedented change, and on the 19th of March 2020, it was announced that all Summer 2020 exams would not take place. We were in constant contact with the awarding bodies, working on a process for CAGs (Centre Assessed Grades). We worked tirelessly, answering your phone calls and emails (at one point we were receiving over 100 enquiries per hour!). The Tutors and Exams team have been working extremely hard to ensure that our candidates were looked after and we were also able to help over 500 displaced candidates from other centres worldwide.

But we're finally getting back to some kind of normal... A 'new normal' and here at Tutors and Exams, we've been working tirelessly to help everyone affected by the cancellation of summer examinations! We recognise that many people are still facing significant challenges as we come out of a nationwide lockdown. Therefore, we were delighted to announce that we froze ALL of our examination entry fees for 2020/2021! Not only that, but we also slashed our access arrangement fees by 50%!

A small measure, but one we hope will make things that little bit easier for anyone wishing to sit exams with us next year!

Testimonials

We're extremely lucky to have already received some incredible feedback following an extremely stressful and tiring few months throughout the Covid-19 Pandemic. We wanted to share one with you:

'SCL are so thankful that we had the support of T&E as we would have struggled without the calm supportive approach of T&E throughout COVID 19 and the strange processes that we all needed to deal with regarding exams! T&E were very proactive in liaising from day one with all awarding bodies and keeping us fully informed of all processes.' – SCL
